Overview

H.F. 1969 appropriates \$800,000 for a grant to Science from Scientists (a non-profit with a presence in Minnesota, Massachusetts, and California) for Science, Technology, Engineering, and Mathematics (STEM) programs.

Requires the grant to be used to extend STEM activities to students in low-income and rural areas. Requires Science from Scientists to measure and track program outcomes. Requires an annual report following each year that funds are expended, detailing program participation and outcomes.
